ALL WRONG.

The Mistake Is Made by Many Ashland Citizens.

Look for the cause of backache. To be cured you must know the cause.

If it's weak kidneys you must set the kidneys working right.

An Ashland resident tells you how. C. E. Davis, proprietor of Columbia Hotel, Main street, Ashland, says: "I can conscientiously recommend Doan's Kidney Pills for I know from personal experience that they are all they are claimed to be. In the past few years of railroad life, I was subject to backache and bladder trouble, but after using Doan's Kidney Pills I was relieved. Since finding them so beneficial for kidney disorders, I have been a firm believer in them and never hesitate to recommend them to my friends whenever I hear them complaining of backache or kidney trouble."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Davis had. Foster-Milburn Co., Props., Buffalo, N. Y.

Mr. George Ziders returned from San Francisco on Thursday, where he has been in the Southern Pacific hospital. Several weeks ago Mr. Ziders had an accident which caused his ankle to be broken. He is now getting around on crutches and will be able to take up his work again in a few weeks.

Tuesday evening the Ladies' Aid of the Methodist church held a very successful ice cream social. The Epworth League furnished the program as follows: Piano duet, Edna Welles and Delpha Coleman; violin solo, Glasgow Coleman; vocal solo with mandolin accompaniment, Mrs. Lunt and Herbert Lunt; piano solo, Callie Vogell; remarks by Rev. M. C. Reed; piano solo, Miss Sorem; violin solo, Alice Vandersluis; piano solo, Helen Adamson. The main feature of the evening was shadow selling. A tent was set up in the church yard and the young ladies had their shadows sold to the highest bidder, and the purchaser was then entitled to refreshments for two. About fifteen dollars was made, which will go on the piano debt.

Fire Wednesday evening at 10 o'clock completely destroyed the packing house of the Talent Orchard Company at Talent, located near the Talent lumber yard. Pear packing had been in progress for several days and at least a carload of fruit was in storage. The fruit grader and other equipment, including a carload of box lumber and fruit paper, brings the loss to approximately \$5,000, partially covered by insurance. The cause of the fire is unknown. The company plans to erect a building for packing purposes on their property near the Mountain View orchard and hope to have it completed before apple-picking season.

"GOOD SHOES"

Heard and Overheard

(By Lynn D. Mowat.)

We here in Ashland are accustomed to our Chautauqua. Not so in some parts of the country. One of the young fellows who is an advance man for the Ellison-White circuits tells us of the reception he received in the home of a wealthy northern Californian when he was trying to get the town to take up a Chautauqua session. He says: "I told him, 'I am calling to see you about a Chautauqua.' The old fellow did not even look at my card, just said: 'Nothing doing. My wife and I have already decided on a Ford, and we don't want to hear about your newfangled high-priced car.'"

"How can a woman drive a car," The jokesters weep and wail, "When we've been told, Since days of old, "That she can't drive a nail!"

One of Carl Loveland's boys' band members was awakening the echoes around his neighborhood last Sunday at an unearthly hour. Finally a neighbor went over and asked the boy, "Do you know the Golden Rule?" The youthful Sousa halted only long enough to reply, "No, but if you will whistle it, maybe I can pick it up."

A headline in the Medford Tribune says: "Good-sized Crow Hears Weekly Band Concert." T. H. Simpson was down to the concert, according to the same paper, but Mr. Simpson says he saw no crow. Maybe the reporter mistook a chicken in the dark of the moon for a crow.

We learn from a prominent Klamath county citizen that the leading barber of Klamath Falls charged Mayor Johnson five cents to wash his face before he would shave him upon the occasion of a recent visit to the Falls by the Mayor while on an automobile outing. The mayor told him that it grated on him to have to pay the nickel and that over in Ashland the barbers washed the auto tourists' faces at no extra charge, thus proving the superiority of the Ashland brand of hospitality. After the barber had made five trips to Klamath Lake to get more clean water the mayor took back his remarks.

F. L. Camps got back last week from Detroit, where he and Henry Ford discussed selling a Ford to Dan Applegate. F. L. says there is no truth in the rumor that Henry is going to pack his product in egg cases and send them through the parcel post.

Attorney G. W. Trefren transacted legal business in Medford Friday.

Progress at Grants Pass Sugar Factory

The immense smokestacks now loom skyward and the boilers are in position for steam testing as soon as the grates are in.

Other steel construction is making a great showing.

The brickwork is well under way on the main building.

The beet sheds and flumes are approaching readiness for service. The flumes are to be constructed of redwood, said to be very durable considering the cost.

Much of the beet machinery is yet to arrive, while the machinery in the sugar end of the structure is all installed.

The annex building containing the limekiln, machine shop, etc., is all completed and the machine shop has been in operation for some time. The limekiln is completed with the laying of firebrick lining and can be started any time when supplies are on hand.—Grants Pass Observer.

The Pacific Telephone Company will spend \$60,000 at Portland on line reconstruction.

THE FLAVOR OF "SPEAR HEAD" IS UNIQUE

A Chew That Has Been Famous for a Third of a Century

HAS THE RICH RED BURLEY TASTE

Chewing is the only way to get the rich taste of the tobacco leaf. And the only form of tobacco in which you get the leaf as Nature made it is the plug form.

A chew of Spear Head plug tobacco has a wonderful flavor such as you never did and never will taste in any other tobacco.

That Spear Head flavor is unique, mellow, fruity, everlastingly delicious and satisfying.

Spear Head has been famous for a third of a century as the richest, tastiest of chews.

It's made of sun-ripened, red Burley. And it's produced by the most modern methods, which develop the luscious flavor of the leaf to the supreme degree.

It is safeguarded at every step in its making. The factory is clean and sanitary—the processes are pure-food processes.

When the choice red Burley has been pressed into mellow, sweet Spear Head plugs you have a chew that simply can't be equalled.

Spear Head is the high quality chew of the world.

Try Spear Head—you'll never again be satisfied with any other chew. In 10c cuts, wrapped in wax paper.
